Greenspokes

A new member joining Las Vegas Southwest Rotary is called a Greenspoke, and is required to attend 4 Greenspokes meetings and one board meeting. Upon completion of these requirements, they become full-fledged members who are entitled to propose new members or run for office.

Greenspokes meetings focus on the Rotary Avenues of Service:

- Community Service
- International Service
- Vocational Service
- Club Service (Programs and Social Events)
- Rotary Foundation

These meetings are often held at a club member's home, and provide a good means for interaction between all Rotarians, spouses, and/or significant others.
