Gifts for the President: Keith went to wine country and brought back a “wine away” packet for those who want to hide the fact that they had a drink.

Our speaker: Former member Mark Brown of Mark Brown Strategies gave a very interesting talk to teach the members how to increase our businesses revenues.

Mark Brown is the founder of Impavido Communications which is the parent company to The Fearless Communicator, The Fearless Business Professor and I Will Grow Your Business.com.

He is viewed as an expert in helping entrepreneurs and small to medium sized companies grow and become more profitable.
