Pres-elect Troy said that her retreat for Board members and committee chairs will be held on June 8, 2013 at the J.W. Marriott from 8 to 4 pm. Invitations have already been sent.

Past pres Aric Graham announced that the debunking for current president Donnie will be held on June 17th at 6 pm at the Las Vegas Country Club. Invitations will be sent soon.

Cliff Dieterle reminded everyone that Feed the Homeless will be taking place on Wednesday the 29th of May. If you have any clothes you can donate, please bring them the night of the event itself when you come to help. Tom Martin will be in charge that night.

Don't forget that we are dark Monday, May 27th for Memorial Day.

Lobbying for more money for the OneDrop project. Pres Donnie recognized Fred \$75.

Are your clients doing well Pres asked Pepe Charles? Of course they're doing well which cost Pepe a \$100 recognition.

Ed Guthrie reported that Penn Jillete won over \$100,000 for Opportunity Village on "The Apprentice" NBC show and was recognized \$50.

Jokes: filling in for resident jokester Scott, Cliff read a joke about the IRS and received a \$25 credit. Not to be outdone, Wally read a joke and also received a \$25 credit.

Gifts for the President: Keith, Joanne and Troy tried bribing the Pres with gifts from their travels.

Our Speaker:

Jacqueline Jensen, Co-Founder & COO @Ticket Cake

Jacqueline spoke to the club about being involved in a start up and how the Downtown Project lured her company to Las Vegas.

Her Company has come a long way since their launch last year at the Sundance Film Festival. Since then they've sold tickets to shows by Snoop Dogg, Third Eye Blind, Ali Campbell from UB40 and more. In fact, they've sold nearly \$1M in tickets.

"In the past 18 months, we have processed nearly \$1M in ticket sales. The team felt now was the perfect time to partner with the VegasTechFund to accelerate our growth," says founder and [CEO Joe Henriod](#) about the funding announcement. "Our team is thrilled to move our home base from Salt Lake City to join the #VegasTech community in downtown Las Vegas."

While the company was founded in Utah, their journey to Vegas has been one in the making for a long time...especially considering the inspiration that clubs and event organizers in Utah get from Vegas.

“The venues and event organizers in Utah really look to the clubs in Vegas for inspiration in promotions, advertising, everything” says [co-founder Jacqueline Jensen](#) “so moving to Vegas just made sense to us for a lot of reasons. The big clients we have in Utah are actually thrilled that we’re here now because we really have our pulse on the latest and greatest.”

They first visited #VegasTech back in February. “It was an epic trip.” Right then they knew that Vegas was where they needed to be. They even wrote about it [on their blog](#).

But Ticket Cake is more than just a ticket seller. They are a full-on event promotion platform for event organizers... they help with Marketing Consulting, Social Media fulfillment and more. They actually take customer service to a higher level than any of their competitors...that’s why they’re growing so fast.
