## Recognitions:

**It pays to be President, not to be Immediate Past President . . .** Melissa Copeland was asked by Mr. President what were the highlight and the lowlight of her past year as Club President. Melissa was at a loss for memories and words and gave the obligatory "I think we accomplished a lot and all of it was awesome." But she did mention that if there were any lowlights to be had they probably happened during the debunking. For her lack of specificity Melissa was fined \$100.

### Gifts for the President

No gifts were offered to the new president but he did indicate for future reference that he collects logoed golf balls and all type of baseball caps. Keep in mind he likes to play with the logoed balls so he can remember who gave them to him.

### Are you an expert?

In the spirit of “Name the Rotarian,” Mr. President developed a new game where a particular Rotarian is asked three questions about their respective profession. Contestants will be given a score for each question correct depending on if they need multiple-choice to answer correctly. The game will culminate at the end of the year with a “Jeopardy” type game with those who score the best throughout the year.

### Melissa Copeland – 2 ½ points total

  - a. ½ point for multiple-choice selection - “Hole Insurance”
2. The legal process by which an insurance company, after paying a loss, seeks to recover the amount of the loss from another party who is legally liable for it.

### New Member Introduction

#### Justin Kalb

Justin Kalb, was born and raised in Las Vegas, graduating from Bishop Gorman in 1995. After graduation he attended college at Arizona State University where he graduated in 2000 with a bachelor’s degree from the school of engineering. While in college he volunteered with Children’s Miracle Network raising money and organizing fund raisers through his fraternity. After college he relocated to Charlotte, North Carolina to work for a general contractor gaining valuable experience both in construction and in community service. With the help of his employer, he assisted in helping the homeless by organizing a multitude of tasks and events. After two (2) years, Justin missed his family and life-long friends so he moved back to Las Vegas in 2002 to work with the family business Kalb Industries of Nevada. In 2008, Justin accepted the position of Vice President and part owner of Kalb Industries of Nevada. His past life experiences with community outreach made him hunger for more so, Justin got involved with the Boys and Girls Club, serving on the Boys Night Out Committee and currently serves on the Facility Committee. Giving back to the community and helping those less fortunate are genuine values that Justin not only believes in but by example hopes to pass down to his son, Hudson who is 5 years old.
